

Associate in Business Degree Requirements

Program Code: ABUS

Effective Summer 2004

Requirements:

- Completion of 90 college level credits with a minimum cumulative 2.0 g.p.a.
- At least 15 college level credits must be earned at North Seattle Community College.
- Admission to Washington public baccalaureate Schools of Business is **NOT GUARANTEED** to students holding an Associate in Business Degree—DTA (Direct Transfer Agreement). It is strongly recommended that students contact the baccalaureate-granting Business School early in their Associate in Business—DTA program to be advised about additional requirements (g.p.a., etc.) and procedures for admission.
- Please note that admission for many business schools is competitive, and higher grade point averages and course grades are often required. Please check with your destination school and college. In addition, the minimum grade for all accounting (ACC) courses and BUS 200 is 2.0.
- For program planning purposes, students are advised that the lower-division requirements for individual Washington public university business schools may vary.

Notes and Clarifications

Notes:

- (1) EWU's business program requires Math 200 Finite Math. EWU will also accept a course equivalent to EWU's Math 115, Math Reasoning, courses equivalent to EWU's Math 105 and 106, Precalculus I and II, or a course equivalent. CWU requires a minimum of precalculus.
- (2) WSU's business school requires five quarter credits of public speaking; transferable courses must include formal, coached public speaking instruction with written and oral feedback; students must have multiple opportunities for presentations and at least one half of a course must include those components in order for it to be acceptable for transfer.
- (3) For admission to UW Seattle, Bothell, and Tacoma, two years of high school foreign language or two quarters of college level foreign language are required. Students not admitted to the Business School at UW Seattle and selecting an alternate major from the College of Arts and Sciences will be required to demonstrate foreign language proficiency. (Grade of 2.0 in third quarter of foreign language.)
- (4) WSU's business school encourages prospective transfers to take five credits in psychology or sociology; UW Tacoma's business school encourages prospective transfers to take five credits in psychology, sociology, or anthropology.
- (5) WSU's business school requires a computer course comparable to MIS 250 Managing Information Technology (the role of managing information systems in business).
- (6) WWU's Manufacturing Management requires Intro to Chemistry and Intro to Physics.
- (7) UW requires Introduction to Law (MGMT 200); EWU requires a course equivalent to EWU's Accounting 261; WWU requires a course equivalent to their business law course; either course will satisfy the requirements at CWU, UW Bothell, UW Tacoma, WWU, and WSU.
- (8) UW accepts BUS 101 as an Individuals & Societies elective.
