1. Required unless applicant has earned at least 40 transferable credits by application.
2. Required if minimum math and foreign language completed in high school.
3. Required unless applicant has earned at least 45 transferable credits by application.
4. Required unless applicant has earned at least 40 transferable credits or is over 25 years of age and submits a personal statement and resume.
5. **Applicants with 40 or more transferable credits:** Cumulative GPA of 2.0 -2.49: a) Minimum 2.0 GPA in highest level of precollege or college level English class and b) Minimum 2.0 GPA in Intermediate College Algebra **OR** 2.0 in any college level math class. **Applicants with fewer than 40 transferable credits must have a cumulative GPA 2.0 in all college level course work.**
6. Selection may be higher due to enrollment pressures.
7. Admission is competitive, and includes a comprehensive review of academic and personal factors. Priority consideration for WA residents from Washington community colleges.
8. High School Core: 4 years English ; 3 years social studies; 3 years math, including Algebra, Geometry and Algebra II; 2 years foreign language; 2 years science, including one lab science; .5 years art; and .5 years electives. High school core can be made up with college work. Consider that one college course typically equals one high school year.
