

Pathway: **Economics**

Area of Study: **Business and Accounting**

Seattle Colleges is committed to accessibility. If support is needed in accessing the information within this document please contact ds@seattlecolleges.edu.

Overview

This pathway meets requirements for the Associate in Business -DTA (AB-DTA) with a concentration in Economics. Completion of this degree opens doors to a variety of careers in sectors including non-profit, business, government, finance, and education. It also allows you to transfer at the junior level into a Economics program at a four-year college or university. (Read program QR code to see more)

Estimated Length of Completion

Degree: Associate in Business - Direct Transfer Agreement (BUCBUAA)

6 quarters, Full time

Career Opportunities

An Economics pathway can lead to various career opportunities. Examples include:

- Market Research/Pricing Analyst
- Policy Analyst
- Economic Consultant
- Financial/Investment Analyst
- Actuary
- Lawyer
- Data Scientist
- Underwriter/Appraiser

A Bachelor's degree or higher may be required... (Read program QR code to see more)

Future Education

Once you complete the associates degree, additional education opportunities include:

- Bachelor's degree in Economics, Business, Finance, Data Analytics, or a related field at a four-year college or university.
- Bachelor of Applied Science (BAS) degree in Accounting in International Accounting, International Business, and Residential & Commercial Property Management at North Seattle College.

North Seattle College has direct transfer agreements with four-year institutions throughout Washington state, including the University of Washington, Washington State University, and Seattle University. Economics graduates from North have also transferred to out-of-state institutions. Program and admissions requirements vary from college-to-college. Contact a North advisor to create an educational plan tailored to transfer to the institution of your choice. You can use the College Navigator search engine found at <http://nces.ed.gov/collegenavigator> to find Economics programs in Washington state or around the country.

Pathway: **Economics**

Area of Study: **Business and Accounting**

Get Started

Step 1: Apply and register at North Seattle College anytime (the application is always free). Once you become a student, register for classes using the online class schedule and go to the academic calendar for registration dates and tuition deadlines.

Step 2: See an advisor to create a personalized educational plan by the end of your second quarter. Your plan will include prerequisites, graduation requirements, and transfer preparation if you plan to transfer to another college or university to earn a bachelor's degree.

Tuition and Fees

Learn more about the [estimated cost of attendance and general fees to attend college](#).

Financial Aid and Funding Resources

It's time to apply for Financial Aid for next year by completing either the [FAFSA](#) or the [WASFA](#) 2024-25.

Need help paying for college?

To apply for financial aid, including grants and scholarships you don't have to pay back, visit [North's Financial Aid Department](#) for details. Part-time and full-time students can qualify for financial aid funds.

Sample Quarterly To-Do List

This is an example of a quarterly to-do list:

Quarter 1

- Schedule an appointment with your assigned advisor in [Starfish](#) to meet and discuss your goals. Learn more about Starfish [here](#).
- Explore careers and majors through workshops, [counseling](#) and [career services](#).
- Come to the [Library](#) to get help with research; check out resources; access computers and study space; and create media projects.
- Visit the [Student Learning Center](#) to learn about tutoring services offered in-person and online.
- Check out [campus life: Student Clubs and Affinity Groups](#), [TRIO](#), [Equity & Welcome Center](#), [Wellness Center](#), etc.

Quarter 2

- Create an [educational plan](#) with your [assigned advisor](#).
- Apply for [financial aid](#) for the upcoming academic year in Winter or Spring quarter to maximize your funding options.
- Research and develop a list of four-year colleges and universities.
- Attend [transfer events](#) at North and universities of interest.
- Visit [North's Transfer webpage](#) for transfer information.

Quarter 3

- Update your educational plan with your assigned advisor and discuss Bachelor of Art (BA) and Bachelor of Science (BS) transfer options.
- Visit potential universities and determine application deadlines.
- Apply for the [Seattle Colleges Foundation Scholarship](#) and [other scholarships](#).
- Consider [Student Leadership positions](#) and other [on-campus jobs](#).
- Attend "Making Learning and Teaching Visible" campus event every spring.
- Explore free learning opportunities to learn Python or R Programming in the summer.

Quarter 4

- Update your educational plan and confirm your program of study with your [assigned advisor](#).
- Contact Economics departments at potential universities.
- Write your personal statement for university applications.
- Consider getting a student subscription to The Wall Street Journal to stay aware of current events.

Quarter 5

- [Apply](#) for the AB-DTA in Economics degree in ctcLink. Check with your assigned advisor to be sure you are meeting degree requirements.
- Apply for [financial aid](#) for the upcoming academic year in Winter or Spring quarter to maximize your funding options.
- Apply to universities or colleges and scholarships.
- Explore possible business, nonprofit, or policy analysis internships if interested.
