

Pathway: **Math**

Area of Study: **Science, Technology, Engineering, and Math**

Seattle Colleges is committed to accessibility. If support is needed in accessing the information within this document please contact ds@seattlecolleges.edu.

Overview

This pathway meets requirements for the Associate of Science - Transfer with a concentration in Math. Completion of this degree opens doors to a variety of careers in fields such as mathematical instruction and research, technology, engineering, finance, and quantitative sciences. It also allows you to transfer into a math or related major at a four-year college or university. (Read program QR code to see more)

Estimated Length of Completion

Degree: Associate of Science - Transfer (LASDTAS)
9 quarters, Part time

Career Opportunities

A math pathway can lead to various career opportunities. Examples include:

- Mathematician
- Financial analyst
- Data analyst
- Actuary
- Statistician
- Data scientist
- Math teacher
- Logistician
- Operations analyst
- Computer or electrical engineer
- Computational scientist

A Bachelor's degree or higher ma ...(Read program QR code to see more)

Future Education

Once you complete the AS degree, additional education opportunities include:

- Bachelor's degree in math, statistics, data science, engineering, physics, economics, finance or related field.
- [Bachelor of Applied Science \(BAS\)](#) degree at one of the Seattle Colleges.

North Seattle College has direct transfer agreements with four-year institutions throughout Washington state, including the University of Washington, Washington State University, and Seattle University. Math graduates from North have also transferred to out-of-state institutions. Program and admissions requirements vary from college-to-college. For example, the University of Washington requires two quarters of world language for admission, three quarters to graduate. Contact an advisor to create an educational plan tailored to transfer to the institution of your choice. You can use the College Navigator search engine found at <http://nces.ed.gov/collegenavigator> to find Math programs in Washington state or around the country.

Pathway: **Math**

Area of Study: **Science, Technology, Engineering, and Math**

Get Started

Step 1: Apply and register at North Seattle College anytime (the application is always free). Once you become a student, register for classes using the online class schedule and go to the academic calendar for registration dates and tuition deadlines.

Step 2: See an advisor to create a personalized educational plan by the end of your second quarter. Your plan will include prerequisites, graduation requirements, and transfer preparation if you plan to transfer to another college or university to earn a bachelor's degree.

Tuition and Fees

Learn more about the [estimated cost of attendance and general fees to attend college](#).

Financial Aid and Funding Resources

It's time to apply for Financial Aid for next year by completing either the [FAFSA](#) or the [WASFA](#) 2024-25.

Need help paying for college?

To apply for financial aid, including grants and scholarships you don't have to pay back, visit [North's Financial Aid Department](#) for details. Part-time and full-time students can qualify for financial aid funds.

Pathway: **Math**

Area of Study: **Science, Technology, Engineering, and Math**

Before Quarter One

- [Pre-College or Transitional Studies Math](#) (if needed)
- [Pre-College or Transitional Studies English](#) (if needed)
- Apply for [Financial Aid](#) and other funding before your first quarter. Visit the [Financial Aid Office](#) to explore how to pay for college.
- [Transfer previous college credits](#) to North if applicable.
- Attend [New Student Orientation](#).
- [Explore placement options](#): take the [math](#) and [English](#) placement tool if needed.
- Make an informed choice on the [number of units to take each quarter](#).
- F-1 international students must enroll full time (12+ units) each quarter and check in with the [International Programs office](#) before the start of the quarter if enrolling in less than 12 units and/or before starting any work or volunteer experience.
- If you need academic accommodations for a documented disability, please contact [Disability Services](#).

A sample schedule and quarterly to-do list are below. The schedule and to-do list will help you explore courses and complete tasks on time. The guide assumes a fall quarter start, but you can begin in any quarter.

Sample Schedule

This is an example of a quarterly schedule:

Quarter 1

- MATH&141 Precalculus I (5 units)
- ENGL&101 English Composition I (5 units)

Quarter 2

- MATH&142 Precalculus II (5 units)
- ENGL&102 Composition II (5 units)

Quarter 3

- MATH&151 Calculus I (5 units)
- ANTH&206 or ENVS&100 or
Individuals/Cultures/Societies (5 units)

Quarter 4

- MATH&152 Calculus II (5 units)
- Visual, Literary and Perf Arts (5 units)

Quarter 5

- MATH&163 Calculus 3 (5 units)
- World Language I or another Visual, Literary, and
Performing Arts class (5 units)

Quarter 6

- MATH220 or MATH224 or MATH238 (5 units)
- CSC110 Intro To Cmptr Progming (5 units)

Quarter 7

- PHYS&114 or CHEM&110 or Natural World Lab
Science (5 units)

Quarter 8

- PHYS&221 or Natural World Lab Science (5 units)
- Individuals/Cultures/Societies (5 units)

Quarter 9

- MATH220 or MATH224 or MATH238 (5 units)
- ECON&202 or Individuals/Cultures/Societies and
Global Studies (5 units)

Sample Quarterly To-Do List

This is an example of a quarterly to-do list:

Quarter 1

- Schedule an appointment with your assigned advisor in [Starfish](#) to meet and discuss your goals. Learn more about Starfish [here](#).
- Explore careers and majors through workshops, [counseling](#) and [career services](#).
- Come to the [Library](#) to get help with research; check out resources; access computers and study space; and create media projects.
- Visit the [Student Learning Center](#) to learn about tutoring services offered in-person and online and biology/chemistry tutoring lab in HS 2642A.
- Check out [campus life: Student Clubs and Affinity Groups](#), [TRIO](#), [Equity & Welcome Center](#), [Wellness Center](#), etc.
- Apply to [LSAMP](#).
- Join the [American Math Association of Two Year Colleges](#) math student competition.

Quarter 2

- Create an [educational plan](#) with your [assigned advisor](#).
- Apply for [financial aid](#) for the upcoming academic year in Winter or Spring quarter to maximize your funding options.
- Visit [North's Transfer webpage](#) for transfer information.
- Explore and join STEM focused club(s).
- Explore summer course offerings from your second year classes.

Quarter 3

- Apply for the [Seattle Colleges Foundation Scholarship](#) and [other scholarships](#).
- Consider [Student Leadership positions](#) and other [on-campus jobs](#) such as lab aid.
- Apply for [summer financial aid](#).
- Visit potential universities and determine application deadlines.

Quarter 4

- Research and develop a list of four-year colleges and universities.
- Update your educational plan and confirm your program of study with your [assigned advisor](#).
- Pursue work study opportunities in the stockroom and student learning center as a tutor.

Quarter 5

- Attend [transfer events](#) at North and universities of interest.
- Contact math departments at potential universities.
- Update your educational plan with your [assigned advisor](#).
- Explore four-year college and university websites.
- Write your personal statement for transfer applications.
- Plan which 200 level math classes to take with transfer advisor.

Pathway: **Math**
Area of Study: **Science, Technology, Engineering, and Math**

Quarter 6

- Visit potential universities and determine application deadlines.
- Apply for the [Seattle Colleges Foundation Scholarship](#) and [other scholarships](#).
- Apply to colleges or universities and scholarships.
- Apply for [financial aid](#) for the upcoming academic year in Winter or Spring quarter to maximize your funding options.

Quarter 7

- Explore possible internships in math or related fields.
- Apply for [summer financial aid](#).

Quarter 8

- [Apply](#) for the [Associate of Science - Direct Transfer Agreement \(AS-DTA\)](#) degree in ctcLink. Check with your assigned advisor to be sure you are meeting degree requirements.

Quarter 9

- Order cap and gown for commencement and join [alumni association](#).
- Attend on-campus graduation fair and commencement ceremony.
- Check in with university for transfer plan.
