Future Education

Once you complete this associates degree, additional education opportunities include:

- A Bachelor of Science in Nursing (BSN) or related degree at a four-year college or university.
- A Bachelor of Applied Science (BAS) degree in a healthcare field at one of the Seattle Colleges.

North Seattle College has direct transfer agreements with four-year institutions throughout Washington state, including the University of Washington, Washington State University, and Seattle University. Pre-nursing graduates from North have also transferred to out-of-state institutions. Direct transfer agreements do not guarantee admission and/or admission to particular programs.

Program and admission requirements vary from college-to-college. Contact an advisor to create an educational plan tailored to transfer to the institution of your choice.
